[For the Inyton Empire.] Uncle Sam's Southern Tour.

The hilarity before spoken of as having taken possession of my friends, was the only drawed us, with a request to print it. Having given one of the parties a hearing we agreed to back to the sources of enjoyment that surround publish the rejoinder from the other side, as an ed me. It attracted considerable attention to offset. The "reply" was not written above the the part of the bont allotted to us, and I was proper name of the author, and was not, we fearful lest my disguise might be detected. Howadmit, in the style of seriousness with Mr.

Burton's "protest;" yet we thought the seumen of the reader would scable him to properly es timate both performances, and that no one would diaguise, felt for my leathern wallet, and found all safe. I then retired to my hammonk, and although it did not swing loose to the sport of the wind, yet the centary that possessed the Sailor Boy to his draum found a fair counterpart emitting a burlenque reminder to be in the feelings that had taken possession of myade through our columns to Mr. Burton's self. For an hour or more that I lay awake, orutest. We supposed, of course, that the public, knowing the parties interested, would have my mind, and for the first time in my life, I beno difficulty in determining the authorship of gan to doubt the political dogman of the Rapub the "reply;" but since properly examining the licen party. Indeed, there was no party in ex-READING MATTER ON EVERY PAGE matter, (which we did not do when banded in, istence now, that I knew of, that fully met my altered opinions on the subject of slavery. I supposing that, coming from the source it did, altered opinions on the subject of slavery. I it was decorous and respectful,) we have cons was slimost a consect to the ironical expression, once made by an eminent statesman, that "the cluded to say that we understood the ediinevitable laws of population would finally eradicate the svil."

I did not repeating visit to my friends on the succeeding night, thinking it prodent to let their hilarity subside a little. But on the night following I donned my wig and made my descent Dayton, I have earned the confidence of the into their quarters. What was my surprise, thall assemble to the language of the surprise of the surpr when on my appearance they raised an almost be defrauded in this way while I remain her

SMITH & WESSON'S NO. 78, MAIN STREET.

THIS Pistol is the lightest one in the world that has force. Weight only Ten Ounces. Is loaded quicker than other Platois are capped.—Is sure fire under all circumstances. No tajury is caused to the Arm or Ammunition by allowing it to remain loaded any length of time. It is no almost in the construction that it is not liable to get It is Perfectly Safe to Carry! The cylinder holds seven shots. Two more that ther small pistois.

The Summer Moon was Shinked all in the purple six.
All in the purple six.
Ny wife and I, we toused about.
And covid not since an eye.
I curred and swore, she soulded me
Allthrough the wear; night.
But twes enough to vex a saint,
The bed-bings anvage title.
Soon as the morning broke, I rose
From out my single-ashed,
And, oh, so wretched did I feel,
I half winhed I was dand.
You may be sure I certain went
That morn to Ruse's store,
And home in joy initriumps i,
Th' Magnetic Powder bore,
Which quickly staughtered every bug,
Noughito, roach and fly;
And sow throughout the livelong night
We sleep, nor ope an eye.

Tarthe Gennine Lyons' Magnetic Powder; Pills are sold at Rose's Brug Store, where care
